Dear Feis Parent,

I am Rosemarie Kelso owner of Kelso Custom Covers. We manufacture garment bags and other dance related items. We have three styles of garment bags including our best selling Travel Wedge.

With Feiseanna, Worlds, Nationals, and Oireachtasi, feis season is here. Due to the tough times we would like to help out a little. We usually offer “school discounts” on group orders (a 20% discount on an order of 12 or more bags only). Now, we offer a 10% discount on all garment bags, whatever style or color of garment bag we carry, in orders of all sizes.

You’ll probably notice that we have your school logo. We can put the logo on any bag. If we don’t have your logo, it’s not a problem. You can scan your logo and send it to us or email photo of it in a jpeg format. We do not charge a set-up fee. We can also embroider names or whatever else you would like on your bag.

Please let me know that you received this e-mail for the 10% discount and I will personally give you the “school discount.”

Please forward this letter to your parent group organizer or your newsletter. Looking forward to helping you out during these times.

Enjoy the feising season,

Rosemarie Kelso
